

New Club / Society Proposal – Development Plan

The first year of a new Club or Society is really important. In this plan, you should outline what you hope to achieve in the first 12 months if your proposal is successfully ratified. You should think about whether you will need funding, specific equipment, or any other particular resources to make your Club / Society a success.

Please try to include as much detail as you can. This document is where you can demonstrate to Student Council that your proposal is a strong idea which should be ratified.

Proposed name of Club / Society:
