

Anime and Manga Society Covid Precautions:

- When attending a meeting on campus grounds, masks are to be worn at all times. Masks will be available if needed by a member.
- Cleaning products for prevention of spreading such as hand sanitizer and paper towels will be available at the entrance of meetings for when people are coming in.
- At least one window will be left open at all times to ensure that air can circulate through rooms, avoiding stuffiness and reducing risk of spread of COVID.
- Anyone who is displaying symptoms such as those listed on this [page](#), will be requested not to come to meetings until symptoms have subsided, though it is important to remember that such members will still be welcome to take part in online meetings.
- Tables shall be cleaned before meetings to reduce risks of spread.
- Members will be expected to maintain a distance of minimum 1 meter between each other when meeting inside.
- We will have an attendance log at the door for people to sign when they enter, to aid with contact tracing, people will be expected to put down their name, and student-Id.
